

 Placements INTERNATIONAL	POLICY PI: PD-A07	EDITION: QMS REVISION NO: 2 ISSUE DATE: 31 Jul 19 REVISION DATE: 31 Oct 19
TITLE: QUALITY MANAGEMENT POLICY		

Purpose

To describe the policy to be followed for all persons employed or contracted to Placements International.

Scope

This policy applies to the Assignments required in respect of provided services.

Policy

All employees must adhere to the following:

Placements International is committed to providing a quality service to our customers to ensure their needs and expectations are met in the provision of tailored human resources, logistics and manpower supply services.

Placements International is committed to the continual improvement of its services to achieve increased customer satisfaction as well as to ensure compliance with the actual specification requirements within Contractor scope of work/supply framework.

Placements International commits to adhere to applicable requirements and will ensure all staff act in accordance with these requirements.

Through the development of specific Quality Management systems, Placements International will achieve Quality objectives and targets designed to comply with strategic direction and ISO 9001 Quality Management Standard.

The Placements International Management Team, General and Operations Managers are accountable to Placements International for ensuring that this Policy is implemented and available throughout Placements International operations. This Policy will be reviewed every 12 months.
